

lateral adjustment
possible after fitting

offset pipe clamp fitting
to utilise available space

**Mount fittings on both sides
without expensive special parts**

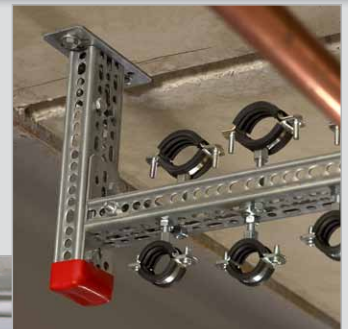

More Info

Use on its own or combine it with the LEIFELD Strap in a wide range of applications. Pipe clamps can be secured to the LEIFELD C-Profile using normal threaded studs or screws!

Useful accessories are the LEIFELD C-Profile Brackets (Horizontal/Vertical), ideal for shaft installations and the LEIFELD Wall Plate for single-point mounting.

Advantages

- expensive special fittings not required
- can be combined with the LEIFELD Strap
- produce sturdy installations quickly and easily
- reduce the chance of injuries by using the LEIFELD C-Profile end cap

**C-Profile Start-Set
